

## FRESNO HCAP

Fresno Healthy Communities Access Partners (FHCA) is a 10-year-old nonprofit organization of twelve health care and community organizations working together to improve access to health care for medically underserved communities in Fresno and the San Joaquin Valley.

### Our Board Members are:

- Community Medical Centers
- Central California Faculty Medical Group
- Fresno Metro Ministry
- Central Valley Health Policy Institute
- Saint Agnes Medical Center
- Clinica Sierra Vista
- UCSF-Fresno, Medical Education Program
- Children's Hospital Central California
- Valley Health Team
- Fresno/Madera Medical Society
- Kaiser Permanente
- United Health Centers

### Fresno HCAP provides leadership in the following collaborative projects:

- Sponsoring institution for Sierra Vista Family Medicine Residency Program, new HRSA partially funded Teaching Health Center for family medicine residents in partnership with Clinica Sierra Vista. Teaching Health Center is a community-based, ambulatory patient care center for training Family Medicine residents.
- Program Administrator for One-e-App (a one-stop-shop for health insurance applications and referrals to other social services) in Fresno/Madera Counties.
  - Expansion of One-e-App into 5 counties (Stanislaus, Merced, Madera, Fresno, and Kern) as part of CMS CHIPRA project to enroll children into Medi-Cal in Federally Qualified Health Clinics.
  - Improving services for low income financially challenged families by expanding application and referral programs, including adult Medi-Cal, CHDP, Food Stamps, Presumptive Eligibility, WIC, Medi-Cal for Children and Pregnant Women, Kaiser Child Health Plan, Cancer Detection Program, FPACT, AIM, as well as low-income energy, auto insurance, utility assistance and tax credit program.
- Program Administrator for Children & Families Health Initiative for Fresno County (CHI-FC), a 17 member community and county coalition operating since 2005 to ensure that all children and their families living in Fresno County have access to health services. Member of California Coverage Health Initiatives.
- Leader for OERU (Outreach, Enrollment, Retention and Utilization) services to low income Fresno populations working with 5 community-based partners.
  - Centro La Familia
  - Fresno Center for New Americans
  - Centro Binacional Para El Desarrollo Indigena Oaxaqueno
  - Clovis Unified School District
  - West Fresno Family Resource Center
- Lead organization for the Covered CA Outreach and Education grant for Fresno County providing Outreach and Education on the ACA to families through a partnership of 5 agencies/organizations (Community Medical Centers, Fresno Metro Ministry, Saint Agnes Medical Center, Fresno Center for new Americans, Centro La Familia Advocacy Services, Inc.). Through community events and activities families are educated on how to obtain healthcare coverage utilizing the California Health Benefit Exchange.
- As the San Joaquin Valley Area Health Education Center (AHEC), improving access to healthcare for medically underserved populations of Fresno, Madera and Kings Counties through academic-community partnerships for training health professionals.
